

# Torrance Public Library Presents Faux Watercolor with Markers

"Take & Make" Craft Kits for Adults

Each kit contains: 4 pieces of art paper, 1 permanent black marker, 3 washable colored markers, and 1 vinyl pouch (repurposed old library supply).

Draw a design on the paper using the permanent black marker. Be creative. Have fun with your art.

Set out a cup of water and paper towels. Color directly on the front side of the vinyl pouch. Make large blobs or small groups of colors.

Dribble or sprinkle water lightly over your drawing. You don't want to make the paper soggy. Place the pouch ink side down onto your drawing. Gently squish the pouch to move the wet ink around the paper. Lift the pouch off the paper. Dab any runny spots with the paper towels.

Use a damp paper towel to wipe the pouch clean. Repeat the inking process on more drawings.
